

## シューズボックス

●キーバリエーション  
ご希望によりお好みのキーを取付いたします。

①錠付(シリンダー錠)      ②錠なし

③ダイヤル錠

The complex block contains three images of different lock options for the shoe lockers. The first image shows a cylinder lock with a keyhole and a key slot. The second image shows a lockless version with a simple rectangular opening. The third image shows a dial lock with four numbered dials and a keyhole. Each image is accompanied by a numbered label in Japanese.
